

Amendment to Terms of Use of Wolferajd.eu
Wieliszew, 2016-06-24
Changes to Terms of Use caused by UK national referendum about EU

The purpose of this amendment:

Because of UK national referendum in favor of leaving EU, the meaning of §1 of Appendix I of Terms of Use of Wolferajd.eu may be interpreted in such a way that will exclude access to the website from UK.

To prevent such interpretation in the event UK leaves EU, this amendment adds Great Britain and Scotland as regions from which it is explicitly said the website will be available.

Additionally, Ireland is added explicitly too.

Article 1

In Appendix I to Terms of Use of Wolferajd.eu the following changes are conducted:

1) After §1c, the §1d-§1f are added that say:

- d. Great Britain
- e. Scotland
- f. Ireland

2) §3 is replaced to say: "This is amendment version of Appendix I to Terms. Amendment version of Appendix I to Terms comes into effect as of 8th July 2016"

3) After §3, the following §4 is added:

"This Appendix I supersedes entirely Appendix I to Terms in the version that was effective as of 1st January 2016"

Article 2

This amendment becomes effective as of 8th July 2016 01:00 CET
